

## Seabury Group Announces Leadership Changes at FXone

### ***New Talent Additions to Further Propel the Company's Growth in eFX execution and Liquidity Management Solutions for Institutional FX Trading***

NEW YORK, September 23, 2015 - Seabury Financial Solutions LLC ("FXone"), a subsidiary of Seabury Group LLC ("Seabury") and a provider of innovative FX liquidity management solutions announced today that Margaret Chan, Chief Executive Officer of Seabury Asset Management, has assumed the additional role of interim Chief Executive Officer of FXone.

Margaret Chan replaces former President and Chief Executive Officer, Rosario Ingargiola, who has departed the company. Alongside Chief Technology Officer Mike Bundy and Co-Founder & Principal GUI Architect Jay Marvin, Ms. Chan will ensure smooth transition of the company's leadership and will leverage the efforts of its growing team, which has recently added several new core members, including:

- Rob Fleschler, Senior Advisor, joins from BATS Hotspot
- Joseph Tuccio, Director, Solution Sales, joins from ED&F Man
- Rob Ryzdewski, Principal Systems Engineer, joins from DRW

"I look forward to leading this dynamic team as both Seabury and FXone leadership are confident and enthusiastic about delivering a compelling future for FXone," said FXone Interim Chief Executive Officer Margaret Chan. "As FXone continues on a rapid growth path in the face of increasing global demand for our unique e-trading platform, our team's capabilities will also continue to expand, as yet again we're adding core talent with proven skill sets in the areas of software engineering, sales, and distribution."

Ms. Chan further commented: "We've spoken to our clients and they continue to be enthusiastic supporters of Seabury Financial Solutions and our technology platform. They also understand the commitment that Seabury has made in supporting our growth strategies to achieve even higher levels of performance."

John E. Luth, Founding Partner and Chief Executive Officer of Seabury Group and Chairman of the Board at Seabury Financial Solutions LLC / FXone, added: "FXone is a perfect complement to Seabury and its group of companies. We also see significant synergies between FXone and Seabury's leading-edge enterprise software applications and continue to support its innovative technology and deep electronic trading expertise."

#### **ABOUT FXONE**

FXone – Seabury's Trade Execution and Liquidity Management System is built on top of the most advanced technology in the industry. FXone offers a full suite of execution services and Smart Order Routing. Access to any LP is via industry standard FIX API, new Binary API or the most powerful and flexible GUI in the institutional FX space. FXone allows user management, real-time Pre-trade Risk checks and customized pricing, provides access to tick data with full market depth from the Tick Database, and offers Post-trade Messaging to most prime brokerage and vendor solutions.
